SIR,

Recovery of dues from the late Satnur Agricultural Bank, Mandya Taluk.

In continuation of this Office letter No.D5..2909/29 dated 2nd instant on the above subject, I have the honour to state that the balance outstanding at the beginning of the year 1928-29 according to the balance sheet furnished by the Comptroller was Rs. 2,552-5-11, of which a sum of Rs. 2,360/- was stated to be the principal and that at the end of the year 1928-29 the amount due including the interest was Rs.2,621-12-4.

The question of recovering the amount either by fixing the joint responsibility of the members of the Bank or by ratably recovering the amount from the several living members by taking coercive processes was under correspondence. Final orders were issued in this Office No. F. 2443-28 dated 27th January 1930 approving of the latter recommendation of the Sub Division with the direction that if the full amount is not recovered by this means from any one person others should be proceeded against.

It is reported that no amount either towards principal or interest was recovered during the current year, and that coercive steps have been taken for the arrears and the Amildar has promised to submit a progress report before the end of this month. A sum of Rs. 25/- was collected during 1928-29 towards principal.

Sir,

Recovery of the amounts outstanding against the late Satnur Agricultural Bank, Mandya taluk.

With reference to your letter No.D.5069/C.S.33-27-6 dated 8th November 1930 calling for a report on the above subject, I have the honour to state that as stated in this Office D.O. letter No.D5.2909/29 dated 20th December 1930 addressed to the Private Secretary to the Devan (copy enclosed for reference) orders were issued to the Amildar, Mandya Taluk to recover the amount from the persons (living or dead) who were benefited by the Bank in proportion to the amount of loan taken by each of them. The Amildar in his report No.M.C.223/30-29 dated 22nd October 1931, to the Sub Division Officer Mandya (copy enclosed for kind perusal) states that much difficulty is experienced in executing the distraint orders owing to financial stringency and tightness of money market and promises to recover the amount if he is given time till the end of the present official year.

The Sub Division Officer, Mandya in submitting the report of the Amildar recommends that the time asked for may be granted view of the present depression in the money market. But I have granted time only till the end of December 1931, as a very special case and directed the Amildar to take coercive steps after that period without distinction and show good progress in the collection of dues.

A report on the progress achieved in the collection be submitted by the end of January 1932.

D.C.Letter No.2909/29(D5) dated 20th December 1930 from the Deputy Commissioner, Mysore District, to the Private Secretary to the Dewan of Mysore, Bangalore.

Complaint petition presented to the Dewan by the ryots of Ummadahalli village, Mandya taluk regarding the coercive action taken against them for the recovery of dues of the Agricultural Bank at Sâtnur, Mandya taluk.

Referring to your D.O. letters Nos. 878 dated 16th September 1930 and 894 dated 17th September 1930 on the above subject, I write to state as follows:-

At the beginning of the year 1929-30, a sum of Rs. 2552-5-11 as noted in the margin was due to Government and action was being taken to recover the same from the members, enforcing the joint responsibility on them, as per para 74 of the Articles of Association of the Bank and as ordered by Mr. A. V. Ramanathan, my predecessor in office. One Guligowda of Kommerahalli, Mandya taluk petitioned to this office during May 1929 stating that inspite of the liquidation of Rs. 350/- borrowed by his father, in the said Bank, the Taluk authorities attached his bullocks and prayed for the release of the same and a report was called for from the Sub Division Officer, Mandya. In submitting the records, he recommended that the amount still due by the Bank, might be rateably distributed amongst all the living members of the Bank and the amount collected by coercive process. In concurring with the recommendation of the Sub Division Officer I ordered during January 1930, that action might be taken on that basis at once, and that if the full amount is not recovered by this means, from any one person, others might be proceeded against, next for this.

Principal	Rs 2360- 0-00
Interest	" 192- 5-11
	Rs 2552- 5-11

This order was in force and coercive steps were taken to recover the amount from the living members 65 in number at Rs. 75/- and odd from each. When matters thus stood, the petitioners approached the Dewan during his visit to Mandya in September 1930 for a stay of proceedings. As ordered by him, further action was stopped and a detailed report was called for from the Sub Division Officer. The Amildar, Mandya has submitted a detailed report (a copy enclosed for the kind perusal of the Dewan) through the Sub Division Officer. The Amildar suggests that 62 persons who are ascertained to have taken loans from the Bank, ranging from Rs. 50/- to Rs. 1000/-

15

may be proceeded against after distributing the outstandings arrears among them in proportion to the amount of loan taken by each of them and that the said proportionate amount be recovered from the 62 members (living or dead) who were actually benefited by the Bank. The Sub Division Officer also recommended the suggestion of the Amildar. The proposal being reasonable, I have issued orders accordingly to the Sub Division Oficer for the recovery of the outstanding arrears, which now amount to Rs. 2,484-7-5 as noted in the margin.

Principal	Rs 2360-0-0
Interest	Rs 124-7-5.

I may add here that a sum of Rs. 125-7-8 recovered during the year 1929-30 and another sum of Rs. 201-8-0 recovered during the current official year have all been adjusted by the Comptroller towards interest and as such the principal outstanding at the beginning of the year remains unaltered.

The petition received with your D.O. letter No. 894 dated 17th September 1930 is herewith returned.

Letter No.H. C.223/23-29 dated 22nd October 1931 from the Amildar, Mandya (through the Sub Division Officer, Mandya) to the Deputy Commissioner, Mysore District.

With reference to your order No.D5.2909/29 dated 19th December 1930, calling for a detailed report, as to the result of action taken to recover the entire outstanding dues of the defunct Agricultural Bank at Satanur, I begto submit as follows:-

As per instructions conveyed in the first instance in January 1930, to recover the dues from the living members, the amount being rateably distributed amongst them, coercive steps were instituted against 35 living members at Rs. 75/- and odd from each.

When the coercive steps were full in progress and dues were being recovered by distraint of properties, the ryots of Ummadahalli approached the Dewan and prayed for a stay of proceedings. Accordingly further action was stopped in September 1930.

Subsequently, the question of further minimising the liabilities of the members was considered and orders were sought for distributing the outstanding arrears among members who had taken loans, the dues being fixed in proportion to the amount of loan taken by each.

On the approval of this suggestion, a list of 62 members living or dead) who were actually benefited by the Bank, with the amount due proportionately by them was got prepared. It took some time to ascertain the present addresses of some living members and the details of heirs of the several deceased members for taking coercive steps. Any how, an up-to-date list of members on the ~~lines~~ lines of the 2nd instructions was prepared and accordingly to that list, notices were issued and got served. Distraint orders have been issued against all the 62 persons and the Revenue Inspectors are repeatedly urged to execute them and recover the amount early.

There ~~xs~~ is difficulty experienced in executing distraint orders. The members ~~xxxx~~ vigorously protest and question the action taken against them, on the ground that they have already liquidated the loans of the Bank. It is difficult to bring home to them, the legality of the present demand due from them. Add to this, the present seasonal and economic conditions of the ryots

did not

did not favour prompt execution of coercive steps. The question of contribution and other demands are already staring in the face of these ryots. They seem perflexed and do not easily yield. A lot of convincing inducements and gentle persuasions are needed specially to collect the very old Bank dues, which the ryots do not seem to understand they are liable to pay.

For the aforesaid several reasons collection work has not progressed well so far.

To collect the entire balance of the Bank, at least, time, till the end of the present official year is deemed necessary, considering the present financial stringency and tightness of money market. If time is kindly granted, I shall endeavour my level best to see that the entire dues are recovered as early as practicable.

I shall personally attend to this matter and see appreciable progress is achieved by the end of December 1931.

In conclusion, I beg to submit, that the delay in the recovery was inevitable under the circumstances referred to above, and further extension of time as prayed for is necessary. I request that it will meet with your kind approval.

SIR,

Recovery of the amount due to the late Satnur Agricultural Bank, Mandya taluk.

With reference to your letter No.3996 dated 10th.instant on the abovesubject, I have the honour to state that the Sub Division Officer, Mandya in his memo No.Grl.4219 dated 31-1-1932 submitted the report of the Amildar,Mandya requesting for the grant of time for the recovery of the dues, till the end of the current official year on the ground that there were some practical difficulties in executing the distraint orders. The reasons adduced by the Amildar were not convincing and were therefore not acceptable. The Amildar has been clearly told that he is personally held responsible for the recovery of the dues and that further extension of time would not be granted.

I have requested the Sub Division Officer,Mandya in this Office No.D5-2909-29 dated 6th.instant to take personal interest in the matter and submit progress reports for the collection of the longstanding dues.

It may also be added that no amount has been recovered either towards principal or interest till the end of January 1932, as might be seen from a copy of the statement herein enclosed.

I shall submit a further report to Government on receipt of

of the progress report from the Sub Division Officer,Mandya.

Recovery of arrears due to the late Agricultural Bank at Sathnur, Mandya taluk.

In continuation of this Office letter No.D5. 2909/29 dated 19th ultimo on the above subject, I have the honour to state that the Amildar, Mandya taluk in his report No.H. C. 222/31-32 dated 3rd instant to the Sub Division Officer intimates that as he was engaged in the collection work of Kasaba Hobli, along with the Revenue Inspector, he could not attend to this work and that he would arrange to collect the arrars during the current month and submit his report.

The reasons assigned by the Amildar for not having collected the amount cannot be accepted. I have requested the Sub Division Officer, Mandya to submit a progress report in the matter within a fortnight and to take effective steps for collecting the outstandings. A detailed report will be submitted to Government on receipt of a reply from the Sub Division Officer, Mandya.

SIR,

RECOVERY OF THE ARREARS DUE FROM THE AGRICULTURAL BANK AT SATNUR, MANDYA TALUK.

In continuation of this office D.O. letter No.D5.2909/29-30 dated 5th ultimo on the above subject, I have the honor to state that orders were issued to the Amildar, Mandya Taluk, to recover the amount from 62 persons (living or dead) who were benefited by the Bank in proportion to the amount of loan taken by each of them, as stated in my letter No.D5.2909/29 dated 9th November 1931.

The Sub Division Officer, Mandya in submitting the report of the Amildar with his No.A3.C.55/30 dated 27th ultimo which is enclosed in original, observes that owing to the embezzlement of the then Secretary and his fradulent conduct, the debtors now to be proceeded against are to pay the amounts over again though they might have in most cases discharged what was due by them.

He further states that the persons among whom the balance of loan has now been distributed represented to him and the Amildar that they would pay up their share as has been fixed if receipts are given to them discharging their

(23

their joint responsibility and adds that their request appears to be reasonable.

The total amount due from the Bank on the 30th June 1932 as intimated by the Comptroller in his letter No.112/Loans dated 29th ultimo is Rs.2673-4-3 as detailed in the margin.

	Principal.	Interest.
*Balance on 1-7-1931.	Rs.2360/-	218-13-10
Interest accrued during the year 31-32.	...	94- 6- 5
Total Rs.	2360/-	313- 4- 3.

As regards the interest on the outstanding amount, the Sub Division Officer, recommends the proposal of the Amildar that as the present individuals are only vicariously responsible for the dues and that as they are afraid that what they pay may be adjusted towards the interest, that the recovery of the interest may be waived.

In view of the peculiar nature of the dues, I am of opinion that the entire interest may be waived and that all the sums due towards the principal be recovered.

I request immediate orders of Government in the matter.

Pending orders of Government, all the sums recovered are being credited to Revenue Deposits.

Sir

As regards the recovery of dues from Sathanur Agricultural Bank I beg to state that all the members of the Bank were proceeded against in the first instance and as there was practical ~~practical~~ difficulty in this procedure a recommendation to recover proportionate amount of the total outstanding from 62 persons who had transactions in the Bank was submitted
(in this office report No. N.C 223 of 28-29 dated 5th November 1930 and the same was approved by the Deputy Commissioner on his No. D.S. 2909/29 dated 19th December 1930 and communicated in my office No. A.3 S.S. of 30-31 dated 22nd

December 1930. In obedience to the above order - various steps are adopted for recovery of the whole arrears. It is seen from the records that the amounts recovered during the years 1929-30 and 1930-31 were all adjusted by the Comptroller towards the interest and the principal remains unaltered. Now many of the defaulters are coming forward and urge for the grant of receipt stating that there is no more arrears due from them after recovering the proportionate amount now shown against them. They are afraid that even if they pay up this amount, it may be adjusted towards interest and that there might be fresh demand from them.

Hence I respectfully submit that orders may kindly be passed to adjust the amount now recovered towards the principal and waive the interest, or otherwise it will be a great hardship

to the members as some of them have
part to the Agent and some to Govern-
-ment which is being adjusted towards
interest. Till the receipt of orders on
this subject I have arranged for
the credit of the amount recovered
in Revenue Deposits.

These are long pending dues and
owing to the embezzle[illegible] of the

amounts over again tho' they have
in most cases discharged what
is due from them to the Banks.

the liability that is sought to be enforced is only due to their joint liability & is vicarious in nature. The persons among whom the balance of loan is distributed represented in person to the U.S. & the Arbitrator that they would pay up their share as fixed in the distribution list if receipts were given to them discharging their joint liability on their paying the share allotted to them now. If some of these make default the others who pay want immunity from being again proceeded against for the same. I think their request appears reasonable. By giving such a guarantee it is expected that the major portion of the amount will be recovered without any trouble & further that the particular individuals who will have defaulted will alone be proceeded with & should there be any case, which I hope not, when the amount becomes irrecoverable that amount may be ordered

to be written off. As regards interest

SIR,

Recovery of arrears due from the Agricultural Bank at Satnur, Mandya taluk.

In continuation of this Office letter No.D5. 2909/29 dated 9th ultimo, on the above subject, I have the honour to state that a sum of Rs. 323-11-2 was recovered and credited to the Treasury during the month of November 1932, as may be seen from the Report No.H.C. 222/31 dated 6th December 1932 of the Amildar, Mandya taluk (copy enclosed) for kind perusal.

It is further seen that coercive measures are also being taken for the recovery of the balance viz., Rs. 929-8-4. Sales are pending confirmation in the case of 5 persons, the amount involved being Rs. 330-4-8.

The Amildar reports that the balance has to be recovered from about 9 persons who are very poor after observing the required formalities. The Sub Division Officer, Mandya recommends that time may be granted till the end of the current official year in order to facilitate the recovery of the arrears during the khist season.

Agreeing with the Sub Division Officer, I recommend that Government may be pleased to grant time as a special case for the recovery of the amounts waiving the interest till the

the end of June 1932. Out of a sum of Rs. 2360/- pending recovery towards the principal at the beginning of the year, a sum of Rs. 1430-7-8 has been recovered up to the end of November 1932. There is every hope that the remaining amount will be recovered before the close of the year.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.

Letter No.222/31-32 dated 6th December 1932 from the Amildar, Mandya taluk, to the Sub Division Officer, Mandya.

Re: the progress in the recovery of arrears due from Satnur Agricultural Bank.

I beg to state that the dues from the Satnur Agricultural Bank was ordered to be recovered from 62 persons who had borrowed from the Bank in Mysore District Deputy Commissioner's Memo No.D5.2909/29 dated 19th December 1930. On the representations of the parties a recommendation was made to waive the interest due and solicited orders for the recovery of the principal only, whereupon orders were received with your No.A3. C. 55/30 dated 12th September 1932 with copy of Development Secretary's letter No.D. 1044 C.S.83-27-11 dated 10th September 1932, to the effect that the Government will waive interest if the principal is fully paid up within three months.

There was an arrear of Rs. 2360/- towards principal at the beginning of this official year; up to the end of November 1932 a sum of Rs. 1430-7-8 was recovered as detailed in the margin on the authority of a list approved by Deputy Commissioner in his Order No.D5.2909/29 dated 19-12-1930. Accordingly dues from 42 persons have fully been settled and the amount credited under "Loans to Agricultural Bank towards principal" as directed in Comptroller's letter No.173 loans. dated 22nd August 1932. Out of the remaining cases Rs. 312-8-8 have been realized from sale of lands belonging to 5 defaulters and credited to Revenue Deposits pending confirmation of the sales which require one months time. For the amount of Rs. 330-4-8, movable properties belonging to 5 persons have been destrained and sale dates fixed during December 1932. For the recovery of Rs. 50-10-2 the District Educational Officer, Mysore District has been requested to recover from the pay of one Narayanappa, School Master, Middle School at Mandya (Vide Deputy Commissioner's letter No.D5. 2909/29 dated 26th October 1932 to the District Educational Officer).

July 1932	Rs	186-12-10
August "		540- 0- 6
September"		96- 3- 4
October "		283-11-10
November "		
1st fortnight		52- 2-10
2nd "		271- 8- 4
		1430- 7- 8

The balance will have to be recovered from the remaining nine persons who are either poor or penniless and as such it is

very

very necessary to extend the time granted in Development Secretary's letter No.D. 1044 C. C. 83-27-11 dated 10th September 1932, up to the end of this official year, by which time, I hope to recover the full amount outstanding so far.

Hence I most respectfully request you to kindly recommend to the Deputy Commissioner for obtaining sanction of the Government in the matter, so that all recoverable balance of the Bank may be recovered and the records closed once for all. Extension of time is prayed only under such inevitable circumstances, and I can assure that no more time will be asked for.
